

INSTRUCTIONS TO AUTHORS

Orals: 10 minutes plus 2 minutes of question time.
Poster size: Maximum 90 cm width by 122 cm height.

Abstracts must be prepared according to the following guidelines. Incomplete abstracts will not be reviewed.

- The contents should be clear, written in English and not exceed 500 words.
- Provide three keywords.
- Provide names and affiliations of all authors and coauthors.
- At least one author or coauthor **must** be registered for the Conference.

Your abstract should have the following sections:

- An **INTRODUCTION** indicating the significance and purpose of the research / topic.
- A description of the **METHODS** of data collection, data analysis and design.
- A section of **RESULTS** and **DISCUSSION**, which can be combined.
- The **CONCLUSION** with reference to implication and applications to the practice of aquatic therapy.
- **CITATIONS** of primary literature sources.

Skip a line only after each of the sections. Use a line spacing of 1.5 and use Times New Roman or Arial (size 11), avoiding abbreviations.

The submission should be original work and align with the Conference theme. The main part should be the results and discussion. One figure or table can be included without implications for the word count. Use only SI (standard international / metric) units and provide references having a major impact on the research.
